SCHEDULE BY LIST

How to Read: This list contains all of the classes being taught this year sorted by type of class. First column is instructor names. The next set of columns show what days and times each class is taught. 'X' means a class is taught that day. 'M' means that class requires mulitple sessions to take. The last column is the class names.

Insturctor	Thursday		Friday		Saturday		Sun.	Class Type & Name
